### **DESCRIPTION**

International Antenna Collection Edited by George Brown, M5ACN this book is a collection of over 50 of the very best articles published on antennas from around the world. Many of the articles have not been seen in the UK and cover stealthy, invisible and many interesting traditional designs. If you are into antennas on both the practical and theoretical side then this book is for you. RSGB, ARRL. 248 pages. 2003 Ed. ISBN 1-872309-93-3
