Roberts Unologic - Dab/FM RDS radio - Black £79.99

DESCRIPTION

The Roberts unologic, a lightweight portable DAB / FM RDS radio, is part of Roberts' Environmentally friendly range designed to minimise environmental impact, with switch mode power supply and the option of using both normal and rechargeable AA batteries . Look after the environment and your money!

Take unologic with you when out and about at family picnics or just listen to it in your back garden. This stylish DAB/ FM radio is available in both black or white, if you are not familiar with DAB you will not be disappointed. DAB digital radio enables you to select stations by name; check out news, results, track titles and more on the scrolling text display; tune at the touch of a button; and listen in crisp, clear digital-quality sound. And there's more listening choice on DAB too.
