TTI THF-100P Hands Free Microphone For 6 Pin CB Radios

£29.95

DESCRIPTION

TTI THF-100P Hands Free Microphone For 6 Pin CB Radios, In vehicle handsfree kit to work with TTI CB radios. PTT button fits on the dashboard, in the mic clip or could be attached to the gearstick and microphone goes on the sun visor.

Once fitted, to use this kit you simply press the PTT button and talk, the microphone will stay open until you push the PTT button again or 1,2 or 3 minutes has elapsed depending on what duration you have set. This stops the mic being left open for long periods if you forget to press the PTT button after you have finished talking.
