Hk-705 hi-mound straight key.

£44.95

DESCRIPTION

HK-705 Hi-Mound Straight Key - Here is a budget class CW key that is ideal for practice and also for actual use on the air. Smart appearance and heavy chrome finish make this key look attractive in the finest of stations. Not only does it look good, but it works extremely well. You get adjustable travel and adjustable tension. This lets you adjust the key to exactly the feel you require.
