

Mfj-5163 3.5mm to 3.5mm cable extra 3.5mm input

£26.95

DESCRIPTION

The MFJ-5163 is a cable that features two 3.5mm inputs and one 3.5mm output. This cable allows for easy connection between devices that have a 3.5mm audio jack. With its extra 3.5mm input, users can conveniently connect multiple devices at the same time. Whether it's connecting a smartphone to a speaker or a laptop to a headset, the MFJ-5163 provides a reliable and versatile solution. Its compact design and durable construction make it a practical choice for both home and professional use.
