DESCRIPTION

HITMAN: Absolution follows cold-blooded assassin Agent 47™ as he takes on his most dangerous—and personal—contract to date. Betrayed by those he once trusted and hunted by the police, Agent 47 finds himself caught in the centre of a dark conspiracy and propelled through a corrupt and twisted world. Donning the suit of this legendary assassin, you become a deadly marksman with the ability to blend into plain sight, kill with your bare hands, and fashion weapons from almost anything. Take on the role of Agent 47 and his many extraordinary talents, then ask: what kind of Hitman are you? Be Professional.

HITMAN: ABSOLUTION PROFESSIONAL EDITION features a premium hardcover Art Book with a foreword from Game Director Tore Blystad, and an exclusive behind-the-scenes “making of” video, all packaged up in a clamshell box that looks as sharp as Agent 47 does in his suit, the Professional Edition is the ultimate way to experience the living, breathing world of HITMAN: ABSOLUTION.

HITMAN: ABSOLUTION PROFESSIONAL EDITION also includes advanced access to a range of in-game Agency Weapons, giving the Original Assassin a deadly edge over his enemies from the outset. The Agency Jagd P22G pistol will suit the silent assassins, whilst the Agency HX UMP SMG and the Agency SPS 12 semi-automatic shotgun will give Agent 47 the power to fight his foes head on.

HITMAN: ABSOLUTION follows The Original Assassin undertaking his most personal contract to date. Betrayed by the Agency and hunted by the police, Agent 47 finds himself pursuing redemption in a corrupt and twisted world.
