

Pre-order form for rally pickups

Please use the following form for pre-ordering items you would like to collect from us at the next radio rally we attend. Radio rally dates can always be looked up from <http://www.radioworld.co.uk/catalog/rallies.php>
If you can bring a form of ID to the rally that matches up with the information you provide here, it will help us as well as you as a security check.
Note that if we are doing any 'rally specials' prices which differ to website prices, we will honour the rally special price.
