T-4-PLUS Radio Works 2kW 1:1 Line Isolator, £59.95

DESCRIPTION

The T-4-Plus Line Isolator has been designed so that it can easily replace other Line Isolators. The isolation factor is nearly 150% of the original values available in early models, and the leakage path has been practically eliminated.* Current type * Ratio 1:1 * Impedance 50 Ohms * Bandwidth 1.8 - 30MHz * Power 2kW * Sockets SO-239 * Size 58 x 203mm
