Thunder pole t-3000 cb radio with a front speaker. £109.99

DESCRIPTION

The Thunder Pole T-3000 CB radio is a unique CB radio with a front speaker design that can be mounted almost anywhere. If you want a versatile CB radio that performs extremely well and also has user-friendly features such as a large 7-color dimming display, back lite buttons, auto-squelch, scan function, and 8 frequency bands that are available at the touch of a button, then the T-3000 is for you. The T-3000 comes pre-set to the UK channels and is DIN-sized for easy dash mounting. It has advanced features such as a VOX facility, 2-pin hands-free capability, AM/FM switching, 12v / 24v auto-switching, and a key lock.
